Subject Fw: Referral Attachments for Richardson Flat?  
SSID#94

History:

Ladies - I hate to bother the two of you with this, but the records center apparently doesn't have a copy of the referral and the attachments to the referral we did on Richardson Flat. I need a full copy ASAP! Can the two of you search your offices and see if by any chance you have a full copy of the referral and the attachments? This is weird!

No hits on litigation report in the title field. I also tried DOJ, ( 2 letters not applicable) Dept. of Justice and Department of Justice in the addressee field - no hits. Next I put in the dates 1/1/2005 to 7/23/2008, I got 71 document hits but nothing to do with the litigation or a referral. Sorry.

Maureen,

I'm not getting any hits for key word referral in the title field.

Hi LynnAnn - I have a question for you. I got a call from DOJ today and it turns out they got the Richardson Flat referral (a copy of the one we did in 2006) but it didn't have any of the attachments with it. They need attachment number 5 - the cost package - in order to complete our Proof of Claim in the ASARCO bankruptcy. Any chance those attachments are available electronically? If not, can I get a hard copy of the attachments? Thanks for checking
